MAKING DOWNTOWN **BRIGHTER**

## Street Party

In just under three weeks' time our Downtown enjoys three events on or along our main streets: Summer Fest/Pantry Palooza, the 4th of July Parade and Greetings from Glenview Rd. Each event brings together a devoted group of residents, celebrating summer and community.

We are thrilled to report that Downtown Glenview is hosting another event in late September. Blocktoberfest will take place on Glenview Rd. between Pine and Church streets on Sat., Sept. 28. Planning this event has been a group effort many months in the making and fulfills one of FDG's strategic goals of creating a signature event in Downtown Glenview. More information below and in this recent [article](#).

Blocktoberfest has been keeping several members of the FDG steering committee busy. So if you've ever thought about [joining our team](#), now is a great time to volunteer to help with Blocktoberfest or our many other community initiatives.
